services to  
business

your partner in people development

Thanks to a government initiative, we're working in partnership with **Job Centre Plus** to deliver free training for those who have been unemployed for over six months. You will be able to refresh and update your qualifications to enhance your CV, and develop your job search skills to **help you to find a job!**

The project is based on a two week full-time rolling programme with Skills for Life training (in English and maths) included. Following the full-time programme you will be guided to the appropriate course for your career path.

Costs also covered include:

- Travel Costs for the 2 week F/T Programme (up to £20 per week)
- Exam & Registration Fees

You may be eligible for this initiative if you are:

- Over 25
- Unemployed for six months or more
- Claiming or in receipt of Job Seeker's Allowance for six months or more
- Not eligible for NEW DEAL
